Employment and Education

Clinical Duties may include:

- Taking medical histories.
- Recording vital signs.
- Explaining treatment procedures to patients.
- Medical assistants collect and prepare laboratory specimens or perform basic laboratory tests on the premises. CMA's instruct patients about medication and special diets, prepare and administer medications as directed by a physician, authorize drug refills as directed, telephone prescriptions to a pharmacy, draw blood, prepare patients for x-rays, take electrocardiograms and change dressings.

Upon completing the Clinical Medical Assistant program, you will have the skills necessary to gain employment in several capacities. Job opportunities will be prevalent in physicians' offices, clinics, chiropractors' offices, and outpatient facilities.

Course Curriculum:

This program will provide the necessary training and skills required to take the National Healthcare Association (NHA) Certified Clinical Medical Assistant (CCMA) national examination. This 220-hour program includes 140 classroom hours (lecture and labs) and an 80-hour clinical externship. Students must complete the 140-hour classroom requirement to be eligible for the NHA exam and to participate in the 80-hour clinical externship rotation. This comprehensive Clinical Medical Assistant program provides training in the following areas:

- function of the clinical medical assistant in an office
- introduction to healthcare facilities
- medical terminology
- anatomy of each of the body parts
- care and safety of patients
- medical & legal aspects and work ethics
- effective verbal and non-verbal communication
- interpersonal skills and human behavior
- phone in prescriptions to various pharmacies
- confidentiality and HIPAA
- take patient medical histories
- update patient medical file
- instruct patients on proper usage of medications
- vital signs and documentation
- phlebotomy including venipunctures
- collecting non-blood specimens
- performing 12 lead EKGs, EKG strip analysis
- prepare and assist with medical examinations
- take blood pressure and body temperatures
- apply sterile dressings
- prepare patients for x-rays
- perform various injections
- perform peripheral IVs
- administer oral medicines
- aseptic technique and infection prevention
- assist with minor surgeries
- proper use and disposal of biohazards and sharps

Admission Requirements:

Students must possess a high school diploma or GED/HSE to enroll. No formal admission to VU is required. Upon successful completion of the program, students will receive a VU Certificate of Completion. To obtain the Certificate, students must have a good attendance record and successfully pass labs, quizzes, and exams. Although this is a NON-CREDIT program, VU will assign grades.

A LETTER TO PROSPECTIVE STAFF

We are so excited to welcome new summer staff to our team each year. Without summer staff, camp simply would not happen. Working at our camps is challenging, rewarding, and tons of fun!

We expect summer staff to work long, hard hours with a servant's heart. Camp is not a 9-5 job. You get up early, work late, and are on call 24 hours a day in case of emergencies. As a ministry, we're looking for individuals ready to serve joyfully. You'll be paid, but no one works at camp for the money. We expect flexibility. And you are, of course, expected to always treat our guests with the kindness, love, and hospitality of Christ — even when you are tired, frustrated, and ready to throw in the towel.

We expect you to be deeply committed to following Jesus Christ, and being an example of Christ to each camper and guest. We don't expect perfection, but we do expect you to be focused on our mission of "making disciples for Jesus Christ by nurturing transformational Christ-centered communities."

Come see first-hand the ways God uses camp for the betterment of the Kingdom. Your faith will grow, you'll make new friends, and you'll practice skills transferable to any future employment. Please prayerfully consider before applying. Whether here or elsewhere, we pray the Lord will use your strengths to God's benefit this summer.

In Christ,
The Impact 2818 Staff
